

THE CHEDI

ANDERMATT, SWITZERLAND

GOTTHARD DEEP SNOW EXPERIENCE

A Porsche will pick you up from The Chedi Andermatt and take you to Hospental. There, you will get into a PistenBully to drive through deep snow up to the Gotthard Pass. You will experience beautiful winter scenery cut off from the outside world before arriving at the military fort. Once you have strapped on your snowshoes, the discovery hike will take you through the pristine winterscape. The Chedi Andermatt guests are given an exclusive avalanche training before going off in search of 'hidden treasure'! Hot mulled wine is served while you enjoy stunning views from a vantage point before you move on to the warm bunker for a delicious 4-course lunch. After the meal, the PistenBully will take you back to the valley before returning to The Chedi Andermatt by Porsche. Pure winter adrenaline and fun indeed!
