MYTHOLOGY - MIXOLOGY

from 12.00pm

sober drinks

Dionysus

17

non-alcoholic sparkling wine | non-alcoholic white vermouth
lemongrass cordial | mint

the god of wine meets non-alcoholic spirits. Wait... what !?! wine without alcohol? correct! a virgin "Old Cuban" twist – not even Dionysus would recognize after his escalation. let`s enjoy sober ecstasy to the fullest.

Pan

16

non-alcoholic blueberry wine | tonic
non-alcoholic bitter orange

Pan, our friend and god of nature & forest was upset of drunk people not taking care of our nature: tripping over roots..., so we made a deal with god Pan and skipped the alcohol. for the placebo we used an unbalanced glassware.

Asclepius

16

non-alcoholic quince wine | lavender peach cordial
rooibostea peach foam

quince for the wounds, lavender against depression, peach for soft skin. the god of medicine will help you waking up without a headache, because of not putting any alcohol in this sweet & sour drink.

non sober drinks

Zeus

24

wheat vodka | seasonal sour mix | passionfruit syrup
oat milk | ginger beer | lemon juice

climate change is a big issue. the drink should show our sustainable thinking and demonstrate the god of earth. combination of tropical & spicy flavors for the heat above the clouds down to the bottom of our planet for earthy sweet notes.

Helios

22

dark rum | bitter orange liqueur | kalamansi puree | ginger ale

everyone needs something to believe in and we believe you `ll have a great time from the beginning in our hotel. Helios is the god of the beginning and there for we have this twist on a stronger variation of the world's famous Aperol Spritz. our spritz for a perfect start.

Apollo

25

lemon gin | pineapple juice | cold brew coffee syrup | cacao juice

with Apollo we present poetry, light & art. an art of sustainable mindset: cold brew coffee syrup from used coffee grains or a different spectrum how to use cacao fruits. smooth and light sweet drink to celebrate ingredients which will maybe not be available in some years on our planet anymore.

Hermes

20

smoky blended scotch | rosé vermouth | beer cordial

zapzarap, take care, god Hermes will try to steal your morning with this delicious twist on an all time classic. art can `t be invented new- but we can "steal" experience and making it our own story. dedicated to the prohibition cocktail scoff-law order it to get more info about it.

Aphrodite

27

champagne rosé | vodka infused with beetroot
white vermouth infused with hibiscus | pussanga liqueur

goddess of beauty and love, she used to drink beetroot juice to preserve her young beauty. Hibiscus is the symbol of immortality. the drink will give you the feeling of a sparkling young love - aphrodisiac drink like Aphrodite. everybody loves her. so who is up for an orgy filled with love!?! ähh - cocktails of course.

Athena

21

fortified wine | blueberry juice | salty agave syrup
lemon juice | mint

the strategy of the modern bar culture is minimalism, so Athene has the vision to «In Vino Veritas» or like in the Chedi our god Athene, who is always telling us the truth: "In cocktails ex chedi veritas"

Poseidon

22

gin | yuzu sake | tonic | black tea—soya reduction

if you think of the sea, what do you see? the beautiful sunsets, the salty smell, the sunburn maybe. beautiful, but there is something that is bothering us and we want to make you at least pay attention or think about it. huge problem is oil and plastic in the sea. we want to grab your attention and show you, that we take care of this in the industry and still enjoy memorable drinks to put a signature in our franchise.

Nala

18

smokey whisky | honey shrub

gods have existed not only in the minds of the past. also our team believes in a little queen - she`s the future. the drink is in honor of Nala & a homage to remind all of us, what is important in life, even in stormy times. cheers to Nala—the little honeybee.

Hestia

22

dark rum | agave kafir cordial
umami

*Hestia represents the sacrifice. this is our way to ask you: when did you try the last time something for the first time? Get a cigar with this perfect match on a refreshing - salty - umami flavored cocktail.
(not vegetarian)*

Artemis

62

23y old single malt whisky | pear-apple syrup
flower bitter

if you come to our bar, our selection of whisky will definitely impress you. That`s why we have choosen Glenfiddich. Its name symbolizes the hills and the deers & god Artemis is known for his hunt, the wildness and the moon. This smooth light drink with fresh notes of pear & apple will remind you walking in the early morning through the forest and smell of morning dew.
